PHASE 1: THE HIGH-IMPACT OPENING HOOK (FIRST 30 SECONDS)

"Good morning/afternoon, am I speaking with **CA & Shri Prakash & Udhawdas Tekwani**?

Sir/Madam, my name is **MD ASRAR BASHA A**. I am calling from an institutional recovery practice based in Tamil Nadu. I am calling regarding a statutory regulatory disclosure filed by **Astral Limited** with the Ministry of Corporate Affairs in New Delhi.

Our audit indicates that your registered folio **IN30127630282977 / IN30127630282985** holds significant equity assets and accumulated dividends that were transferred into IEPF custody under Section 124(6). With bonus expansions, the market valuation stands at approximately **█1.15 Cr — █1.65 Cr**.

I am reaching out to confirm whether your family has initiated the recovery, or if you require our turnkey execution to secure direct Demat credit."

PHASE 2: OBJECTION HANDLING & CORE FAQs (PART 1)

OBJECTION 1: "I will go directly to the company office and handle it myself."

"That is a natural first reaction. However, under **Section 124(6) of the Companies Act, 2013**, once shares remain unclaimed for 7 consecutive years, Astral Limited loses legal jurisdiction over them.

The company cannot issue shares or cash to you directly. The assets are in the statutory custody of the **IEPF Authority under the Ministry of Corporate Affairs in New Delhi**, managed via Registrar **Bigshare Services in Mumbai**.

Visiting the registered office will only redirect you to file digital **Form IEPF-5**, which requires exact legal affidavits, indemnity bonds, and reconciliation. That exact turnkey process is what we manage with zero upfront risk."

QUESTION 2: "Who is your organization and where are you located?"

"We are an institutional IEPF Advisory & Transmission Consultancy headed by **MD ASRAR BASHA A**, operating from Tamil Nadu (Chennai & Ranipet) and serving clients pan-India.

We specialize exclusively in high-net-worth recovery under MCA rules. All interactions are governed by a legally binding service agreement and tracked live on our portal <https://customer-vault.onrender.com>."

PHASE 2: STATUTORY QUESTIONS & PORTFOLIO FORENSICS (PART 2)

QUESTION 3: "How did you get my Demat / Folio ID and contact information?"

"Under **Section 124(6) of the Companies Act, 2013** and statutory IEPF Rules, listed companies like Astral Limited are legally mandated to publish public regulatory gazettes and annual shareholder transfer disclosures of all unclaimed assets.

As an institutional recovery specialist, our advisory audits these official Ministry of Corporate Affairs (MCA) gazettes and RTA (Bigshare Services) public transfer records to identify entitled beneficiaries.

Your contact details were referenced through official public business and professional listings. We do not have, nor do we ever ask for, any confidential banking passwords or OTPs—all recovered shares and cash are transferred 100% directly by the Government into your own verified accounts."

QUESTION 4: "What is my exact portfolio and share quantity?"

"Your registered holding is under Folio/DP ID **IN30127630282977 / IN30127630282985** in **Astral Limited**.

While your original transferred base holding was smaller, Astral subsequently declared three massive corporate bonus actions (**2019: 1:4, 2021: 1:3, 2023: 1:3 Bonus** alongside stock splits).

This geometric equity compounding multiplied your total entitled share count, bringing the current portfolio valuation to **₹1.15 Cr — ₹1.65 Cr**, in addition to 7+ consecutive years of accrued cash dividends.

The pinpoint single-digit share count and dividend amount is formally verified by Registrar **Bigshare Services (Mumbai)** via an official statutory **Entitlement Letter** once the claim is initiated."

QUESTION 5: "How did my investment become so huge?"

"You benefited from geometric equity compounding. Over the past decade, Astral Limited executed multiple massive corporate actions:

• **2019 Bonus Issue (1:4)** • **2021 Bonus Issue (1:3)** • **2023 Bonus Issue (1:3)** alongside multiple stock splits.

Your base shareholding multiplied in quantity while the stock price surged from ~₹30 to nearly ~₹1,900 per share, plus 7+ years of accrued cash dividends."

QUESTION 6: "Where can I see my shares and the exact amount?"

"You can independently see and verify your exact shares and unclaimed dividend amounts through 3 official Government & Corporate portals:

1. **Central Government IEPF Portal:** Visit the official Ministry of Corporate Affairs site www.iepf.gov.in → click 'Services' → 'Search Unclaimed / Unpaid Amounts'. Enter your Folio/DP ID **IN30127630282977 / IN30127630282985** or investor name to view exact dividend warrants transferred to Central Govt custody.
2. **Astral Limited Official Investor Registry:** Visit www.astralpipes.com/investor-relations → 'IEPF Transfer Details' to inspect the statutory public register published under Section 124(6).
3. **Registrar Master Ledger (Bigshare Services Pvt. Ltd., Mumbai):** Astral's official RTA maintains the master membership ledger and issues a formal **Entitlement Letter** certifying accrued bonus shares (2019, 2021, 2023) and cash dividends.

All these official records are pre-compiled and verified inside your personal **Executive Recovery Dossier**."

PHASE 2: STATUTORY ROADMAP & DOCUMENTATION PROTOCOL (PART 3)

QUESTION 7: "What documents do you need from me to file the claim?"

"To file statutory Form IEPF-5 on the Ministry of Corporate Affairs portal, we need only basic regulatory documents:

1. **Self-Attested Client Master List (CML)** from your active Demat broker (Zerodha, HDFC, ICICI, etc.) with bank seal.
2. **Self-Attested Copy of PAN Card & Aadhaar Card** for identity and address verification.
3. **Original Cancelled Cheque** bearing your pre-printed name matching the Demat bank mandate.
4. **Signed Non-Judicial Stamped Indemnity Bond & Advance Receipt** (which our legal team drafts for you).

We never ask for any login passwords, trading PINs, or cheque leaves signed in blank."

QUESTION 8: "Why should I pay a success fee when you operate from Tamil Nadu?"

"IEPF transmission is a centralized, digital federal process under the Ministry of Corporate Affairs in New Delhi, and physical binders are processed via Registrar Bigshare Services in Mumbai. Geographical distance is completely irrelevant.

What matters is pinpoint execution to avoid technical rejections. We operate on a **100% contingent success model (8% fee, ₹0 advance)**. If shares are not credited to your Demat, you owe us nothing."

PHASE 3: THE HIGH-CONVERSION WHATSAPP CLOSING

"Sir/Madam, to review your complete financial forensic audit, I have compiled your personalized **Executive Recovery Dossier** and statutory mandate agreement. I am sharing both documents to your verified WhatsApp right now. Please review the numbers with your family, and let us proceed with the digital IEPF-5 filing today."
