NOTE FOR MEDICAL PRACTITIONERS & BUSY PROFESSIONALS:
Senior medical consultants and business directors frequently accumulate unclaimed corporate equity due to clinical workloads, practice relocations (e.g. Paldi / Ambawadi clinic transitions), consolidation of old bank accounts, or changes in bank IFSC codes. Under Indian law, these assets remain your absolute property and do not lapse. Our turnkey service is designed so that you do not have to spend time on bureaucracy or follow-ups; we manage the entire procedural lifecycle from start to credit.
