AUDIT FORENSIC NOTE: The equity shares in Astral Limited registered under Folio **IN30051310633302** were originally allocated prior to Astral's repeated corporate bonus expansions. Across the 2019 (1:4), 2021 (1:3), and 2023 (1:3) bonus declarations, the original share count multiplied by over **2.22x**, reaching exactly **1,516 fully-paid equity shares**. Due to historical banking/ECS changes, cumulative cash dividends totaling **₹ 160.00** remained uncashed and have been gazetted in company records.

3. CRITICAL STATUTORY & FIDUCIARY CLARIFICATIONS

Direct, legally grounded answers to the two most important questions raised by shareholders regarding their Demat account and KYC submission:

QUESTION 1: "My Demat account has not moved into IEPF, it is a current active account?"

LEGAL & PROCEDURAL ANSWER:
You are 100% correct in observing that your Demat account is active and has not moved to IEPF. Under Securities & Exchange Board of India (SEBI) and Ministry of Corporate Affairs (MCA) regulations:

- **Demat Accounts Never Move into IEPF:** A Demat account is held with a SEBI-registered Depository Participant (DP like ICICI Direct, HDFC Securities, Zerodha, Motilal Oswal, etc.). The Demat account belongs permanently to you and is never transferred to government escrow.
- **What Section 124(6) of the Companies Act, 2013 Actually Dictates:** When cash dividends on a *specific stock* (Astral Limited) remain uncashed for 7 consecutive years (typically due to an old bank account or changed IFSC), the company is legally required to execute a corporate action debit — transferring **only the specific Astral Limited equity shares** into the IEPF Authority Demat account.
- **Why Your Active Demat is the Best Possible News:**
 - Case A (If shares still show in your Demat):** It means the corporate debit is currently on the active statutory cutoff list (e.g. current 2026/2027 transfer schedules). Immediate reconciliation with Astral's Registrar (Bigshare Services) using Form ISR-1/ISR-2 will **halt the transfer immediately**, release your unpaid cash dividends, and keep the shares safe in your Demat!
 - Case B (If corporate action debit has executed):** Having an active Demat account is mandatory because when we file Form IEPF-5 with MCA, the Central Government will credit **100% of your recovered shares directly back into your active Demat account**.

QUESTION 2: "Why should we trust to do KYC to you?"

FIDUCIARY SECURITY & ZERO-RISK GUARANTEES:
Entrusting KYC documents is a serious matter. Here are the five unbreakable legal safeguards governing our advisory practice:

- **1. Zero Financial Risk (■0 Advance / Success-Only Mandate):** We charge **■0 in advance**. No retainers, no filing charges, and no hidden fees. Our professional advisory fee (standard 8% success fee) is payable **strictly AFTER** the shares and cash dividends are safely credited into your personal Demat and bank accounts.
- **2. Zero Third-Party Asset Custody:** Neither Asrar Basha nor any consultant ever touches your shares or dividend funds. Under MCA IEPF Rules, all recovered shares and cash warrants flow **directly from the Government of India / Astral Limited to your verified Demat & Bank account**.
- **3. Standardized SEBI Statutory Forms Only:** We only request regulatory forms prescribed by SEBI (Form ISR-1 for KYC/bank update, Form ISR-2 for banker signature verification, and Form IEPF-5 for MCA claim). We never ask for trading passwords, OTPs, or cheque leaves with signatures blank.
- **4. Strict Data Security & Masked Aadhaar Protocol:** You provide only masked Aadhaar (first 8 digits masked), cancelled cheques crossed with 'FOR ASTRAL KYC ONLY', and self-attested documents carrying purpose-specific watermarks.
- **5. Legally Binding Stamped Agreement:** Before filing, we execute an official **■100** stamp paper Service Agreement with full State Bank of India (SBI) banking transparency, clear mutual covenants, and legal indemnity protecting your family.
