CORE PSYCHOLOGY: HOW TO CONDUCT THIS CALL

1. Total Authority & Zero Neediness: You are bringing news of a multi-crore unclaimed family fortune sitting in government custody. You are an expert auditor.
2. The Golden Anchor: Always repeat: 'We charge ₹0 in advance. All shares and cash flow 100% directly from Government to your own account. You only pay our 8% fee AFTER assets are in your hands.'
3. Direct Demat & Bank Settlement: Emphasize that the consultant never handles client funds or shares.

PHASE 1: THE FIRST 60 SECONDS (OPENING DIALOGUE)

STEP 1: PERMISSION & VALUE HOOK

"Good day Smt.. My name is MD ASRAR BASHA A. I am calling from Corporate IEPF Asset Recovery Practice regarding a statutory compliance matter. I know you are exceptionally busy, so I will take exactly 60 seconds. We have recently audited the statutory registers of Astral Limited under Section 124(6) of the Companies Act.
We identified a high-value equity holding registered under your name at 50/5, New No. 32, 3rd Floor, Giri Road, T. Nagar, (Demat Folio: IN30131320619201). Due to historical 1:4 and 1:3 bonus expansions, this portfolio has accumulated to approximately 4,386 shares valued at ₹50,00,000 — ₹75,00,000 (₹50L – ₹75L) plus accumulated cash dividends sitting in government escrow. I am calling to formally assist your family in securing 100% direct recovery back to your active Demat account with zero advance fee."

PHASE 2: OBJECTION HANDLING & CORE FAQs (PART 1)**OBJECTION 1: "I will go directly to the company office and handle it myself."**

"That is a natural first reaction. However, under **Section 124(6) of the Companies Act, 2013**, once shares remain unclaimed for 7 consecutive years, Astral Limited loses legal jurisdiction over them.

The company cannot issue shares or cash to you directly. The assets are in the statutory custody of the **IEPF Authority under the Ministry of Corporate Affairs in New Delhi**, managed via Registrar **Bigshare Services in Mumbai**.

Visiting the registered office will only redirect you to file digital **Form IEPF-5**, which requires exact legal affidavits, indemnity bonds, and reconciliation. That exact turnkey process is what we manage with zero upfront risk."

QUESTION 2: "Who is your organization and where are you located?"

"We are an institutional IEPF Advisory & Transmission Consultancy headed by **MD ASRAR BASHA A**, operating from Tamil Nadu (Chennai & Ranipet) and serving clients pan-India.

We specialize exclusively in high-net-worth recovery under MCA rules. All interactions are governed by a legally binding service agreement and tracked live on our portal <https://customer-vault.onrender.com>."

QUESTION 3: "How did you get my Demat / Folio ID and contact information?"

"Under Rule 5(8) of the IEPF Rules, listed companies are legally required to publish the Gazette list of unclaimed shareholders with Folio IDs. Our forensic compliance desk cross-referenced Astral Limited's gazette records with public registries to trace eligible legal owners. We respect complete privacy and use verified public records solely for investor restitution."

QUESTION 4: "What is my exact portfolio and share quantity?"

"In your registered Folio **IN30131320619201**, company records certify a holding of approximately **4,386 equity shares** plus uncashed cash dividends of **₹ 1,200.00**. At Astral's current share price (~₹1,425), this folio is worth approximately **₹50,00,000 — ₹75,00,000 (₹50L – ₹75L)**."

QUESTION 5: "How did my investment become so huge?"

"Astral Limited is one of India's biggest compounders. On top of massive share appreciation, Astral declared repeated bonus issues: **1:4 bonus in September 2019**, **1:3 bonus in March 2021**, and **1:3 bonus in March 2023**. Even if your starting shares were modest, the bonus shares compounded by 2.22x and expanded into this fortune!"

PHASE 2: STATUTORY FORENSICS & TRUST SAFEGUARDS (PART 2)

QUESTION 6: "Where can I see my shares and the exact amount?"

"You do not have to take our word for it. You can independently verify your shares in 3 official places:

1. **Astral Limited Official Portal (astralpipes.com):** Investor Relations → 'Transfer to IEPF' gazette lists your Folio **IN30131320619201**.
2. **Ministry of Corporate Affairs Portal (iepf.gov.in):** 'Search Unclaimed / Unpaid Amounts' under company 'Astral Limited'.
3. **Registrar Bigshare Services (bigshareonline.com):** Investor service desk for Astral Limited under ISIN INE006I01046."

QUESTION 9: "My Demat account has not moved into IEPF, it is a current active account?"

"You are 100% correct! A Demat account is held with your Depository Participant and **never moves to IEPF**. Under Section 124(6) of the Companies Act, when dividends on a specific company (Astral) fail to reach your bank for 7 consecutive years, the company is legally required to execute a corporate action debit transferring **only the specific Astral shares** to the IEPF Authority Demat account.

Your active Demat account is the **best possible news**: if the shares are still showing in your Demat (under current transfer schedule), filing Form ISR-1/2 with Bigshare Services **halts the transfer immediately** and releases your cash dividends; if debit has occurred, your active Demat is required so Form IEPF-5 credits 100% of the recovered shares directly back to you!"

QUESTION 10: "Why should we trust to do KYC to you?"

"Entrusting KYC is a serious matter. Our practice operates on 5 unbreakable fiduciary safeguards:

1. **Zero Financial Risk:** ■0 advance fee. Our 8% fee is payable strictly **AFTER** shares and cash are in your Demat and bank.
2. **Direct Demat Credit:** We never touch client funds. Central Government credits 100% directly to your accounts.
3. **Standard SEBI Forms Only:** We collect only Form ISR-1/ISR-2. We never ask for passwords, OTPs, or blank cheques.
4. **Masked KYC Security:** You provide masked Aadhaar (first 8 digits hidden) and cheque crossed 'FOR ASTRAL KYC ONLY'.
5. **Stamped Legal Agreement:** We execute an official ■100 stamp paper agreement with full SBI bank details protecting you."

PHASE 2: DOCUMENT REQUIREMENTS, SUCCESS FEE & CLOSING (PART 3)

QUESTION 7: "What documents do you need from me to file the claim?"

"We require only standard statutory identification documents to file Form IEPF-5 with MCA:

- 1. **Client Master List (CML)** from your active Demat broker with DP stamp and signature.
- 2. Self-attested copy of **PAN Card and Masked Aadhaar Card** (first 8 digits masked).
- 3. Original **Cancelled Cheque leaf** carrying your name, linked to your Demat bank account.
- 4. Our drafted **Non-Judicial Stamp Paper Indemnity Bond & Advance Receipt** signed by you.

We never ask for broker passwords, PINs, or cheque leaves without crossing."

QUESTION 8: "Why should I pay a success fee when you operate from Tamil Nadu?"

"Under the Ministry of Corporate Affairs, IEPF restitution is a centralized digital process coordinated between MCA (New Delhi) and Bigshare Services (Mumbai). Physical geography has zero bearing.

A single discrepancy in name spelling, affidavit format, or RTA verification results in summary rejection by the Government. Our **100% Contingent Model (8% fee, ₹0 Advance)** guarantees zero financial risk. You only compensate our practice after 100% of your shares are safely in your own Demat account."

PHASE 3: THE HIGH-CONVERSION CLOSING SCRIPT

"Smt., I have audited your entire Astral holding and prepared your formal **Executive Recovery Dossier** along with the **Statutory Share Certificate & Agreement**.

I have sent both documents to your WhatsApp and email. Kindly review with your family or Chartered Accountant, and let us initiate the formal Bigshare reconciliation today."
