PART 2: COMPLETE 10-QUESTION OBJECTION RESOLUTION PROTOCOL

Q1: Is this a scam or fake call?
We take zero advance fees. Shares & cash go directly to your personal Demat & bank account. You can verify on MCA IEPF portal.
Q2: How did you get my contact details?
From public Registrar & Share Transfer Agent records, MCA IEPF disclosures, and corporate shareholder directories.
Q3: Can I do this claim myself directly?
Yes, Form IEPF-5 is a public MCA process. However, compiling stamped indemnity bonds, CML audits, and RTA reconciliation typically takes 12-18 months without specialized liaison.
Q4: What is your fee structure?
Strictly 8% success commission. Payable within 7 days ONLY AFTER shares and dividends are safely credited to your personal account.
Q5: What documents do you require?
Aadhaar, PAN card, active Demat Client Master List (CML) with bank seal, and cancelled cheque.
Q6: Where can I see exact shares on official portals?
On the Ministry of Corporate Affairs portal (iepf.gov.in) under Track IEPF-5 or Bigshare Services Pvt. Ltd. RTA master portal.
Q7: How long does the entire recovery take?
Approximately 60 to 90 business days from physical verification dispatch to Astral Limited's Nodal Officer.
Q8: Do you need my Demat password or banking OTPs?
NEVER. We never ask for passwords, OTPs, or bank credentials. The Government credits your account directly.
Q9: Demat account has not moved into IEPF, it is a current active account?
Your Demat account is active, but under Section 124(6), specific shares with 7 consecutive years of unpaid dividends get transferred to IEPF master folio. Form IEPF-5 credits them right back into your active Demat.
Q10: Why should we trust to do KYC to you?
Our advisory works under a legally binding Rs. 0 Advance contract. All shares & funds credit directly to your verified personal accounts. Our official PAN, SBI account, and Ranipet/Chennai credentials are fully embedded in the agreement.
