## PART 1: VERIFIED OUTREACH SCRIPT & PSYCHOLOGICAL ANCHORING

**Opening Line (Hinglish):** 'Namaste Pritam Nemchand Sanghvi (Priyadarshini Polysacks Limited) ji. Main Asrar Basha bol raha hoon, corporate equity recovery advisory se. Yeh call aapke **Astral Limited** ke shares (Folio: **1201091900023821**) ke statutory entitlement ke baare mein hai. Section 124(6) ke mutabiq yeh shares Government custody (IEPF) mein safely parked hain. Company ke bonus issues aur market growth ke baad iski current value lagbhag **Rs. 25.0 Lakhs - Rs. 40.0 Lakhs** ban chuki hai. Hum complete process handle karte hain strictly **Zero Advance / Rs. 0 kharcha** par.'

## PART 2: COMPLETE 10-QUESTION OBJECTION RESOLUTION PROTOCOL

|                                                                                                                                                                                                                                               |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Q1: Is this a scam or fake call?</b>                                                                                                                                                                                                       |
| We take zero advance fees. Shares & cash go directly to your personal Demat & bank account. You can verify on MCA IEPF portal.                                                                                                                |
| <b>Q2: How did you get my contact details?</b>                                                                                                                                                                                                |
| From public Registrar & Share Transfer Agent records, MCA IEPF disclosures, and corporate shareholder directories.                                                                                                                            |
| <b>Q3: Can I do this claim myself directly?</b>                                                                                                                                                                                               |
| Yes, Form IEPF-5 is a public MCA process. However, compiling stamped indemnity bonds, CML audits, and RTA reconciliation typically takes 12-18 months without specialized liaison.                                                            |
| <b>Q4: What is your fee structure?</b>                                                                                                                                                                                                        |
| Strictly 8% success commission. Payable within 7 days ONLY AFTER shares and dividends are safely credited to your personal account.                                                                                                           |
| <b>Q5: What documents do you require?</b>                                                                                                                                                                                                     |
| Aadhaar, PAN card, active Demat Client Master List (CML) with bank seal, and cancelled cheque.                                                                                                                                                |
| <b>Q6: Where can I see exact shares on official portals?</b>                                                                                                                                                                                  |
| On the Ministry of Corporate Affairs portal (iepf.gov.in) under Track IEPF-5 or Bigshare Services Pvt. Ltd. RTA master portal.                                                                                                                |
| <b>Q7: How long does the entire recovery take?</b>                                                                                                                                                                                            |
| Approximately 60 to 90 business days from physical verification dispatch to Astral Limited's Nodal Officer.                                                                                                                                   |
| <b>Q8: Do you need my Demat password or banking OTPs?</b>                                                                                                                                                                                     |
| NEVER. We never ask for passwords, OTPs, or bank credentials. The Government credits your account directly.                                                                                                                                   |
| <b>Q9: Demat account has not moved into IEPF, it is a current active account?</b>                                                                                                                                                             |
| Your Demat account is active, but under Section 124(6), specific shares with 7 consecutive years of unpaid dividends get transferred to IEPF master folio. Form IEPF-5 credits them right back into your active Demat.                        |
| <b>Q10: Why should we trust to do KYC to you?</b>                                                                                                                                                                                             |
| Our advisory works under a legally binding Rs. 0 Advance contract. All shares & funds credit directly to your verified personal accounts. Our official PAN, SBI account, and Ranipet/Chennai credentials are fully embedded in the agreement. |
