

HIGH-CONVERSION CALL SCRIPT PLAYBOOK (ENGLISH MASTER SCRIPT)

EXECUTIVE PROTOCOL • STATUTORY OBJECTION HANDLER • WINNING CLOSING STRATEGY

TARGET BENEFICIARY: Kavish Sarawgi (Kavish Kumar Gadia)	DEMAT FOLIO ID: IN30154918973633	TARGET ASSET: Astral Limited
LOCATION: Gurgaon, Haryana	EST. CLIENT VALUE: ■ 1.50 Cr — ■ 2.20 Cr	COMMISSION FRAMEWORK: 8% Post-Credit

CORE STRATEGY & CALL PSYCHOLOGY:

• **Speak with Calm Corporate Authority:** You are not a telemarketer or cold caller. You are a Senior Statutory Equity Recovery Consultant notifying a high-net-worth individual about accrued wealth.

• **Anchor the Valuation Early:** Frame the ■ 1.50 Cr — ■ 2.20 Cr asset within the first 25 seconds to command undivided attention.

• **Zero Risk Reassurance:** Highlight the ■0 Advance / 100% Contingent model immediately whenever the client asks about fees.

PHASE 1: THE HIGH-STAKES OPENING SCRIPT (FIRST 30 SECONDS)

GOAL • ELIMINATE SKEPTICISM	"Good afternoon Mr. Sarawgi. My name is MD ASRAR BASHA A, leading an institutional equity recovery practice handling statutory claims under the Ministry of Corporate Affairs. I am calling regarding an investor audit of Astral Limited concerning Folio ID IN30154918973633 registered in Gurgaon, Haryana. I am reaching out with significant news: our audit confirms you have accumulated corporate entitlements currently held under statutory IEPF custody, valued between ■ 1.50 Cr — ■ 2.20 Cr. Do you have two minutes to discuss securing these funds?"
-----------------------------	---

PHASE 2: OBJECTION HANDLING & STATUTORY QUESTIONS (PART 1)

OBJECTION 1: "I will go directly to the company office and handle it myself."

"That is a natural first reaction. However, under **Section 124(6) of the Companies Act, 2013**, once shares remain unclaimed for 7 consecutive years, Astral Limited loses legal jurisdiction over them.

The company cannot issue shares or cash to you directly. The assets are in the statutory custody of the **IEPF Authority under the Ministry of Corporate Affairs in New Delhi**, managed via Registrar **Bigshare Services in Mumbai**.

Visiting the registered office will only redirect you to file digital **Form IEPF-5**, which requires exact legal affidavits, indemnity bonds, and reconciliation. That exact turnkey process is what we manage with zero upfront risk."

QUESTION 2: "Who is your organization and where are you located?"

"We are an institutional IEPF Advisory & Transmission Consultancy headed by **MD ASRAR BASHA A**, operating across South India (Chennai, Vellore, Bengaluru) and serving clients pan-India.

We specialize exclusively in high-net-worth recovery under MCA rules. All interactions are governed by a legally binding service agreement and tracked live on our portal <https://customer-vault.onrender.com>."

PHASE 2: STATUTORY QUESTIONS & PORTFOLIO FORENSICS (PART 2)**QUESTION 3: "How did you get my Demat / Folio ID and contact information?"**

"Under **Section 124(6) of the Companies Act, 2013** and statutory IEPF Rules, listed companies like Astral Limited are legally mandated to publish public regulatory gazettes and annual shareholder transfer disclosures of all unclaimed assets. As an institutional recovery specialist, our advisory audits these official Ministry of Corporate Affairs (MCA) gazettes and RTA (Bigshare Services) public transfer records to identify entitled beneficiaries. Your contact details were referenced through official public business and professional listings. We do not have, nor do we ever ask for, any confidential banking passwords or OTPs—all recovered shares and cash are transferred 100% directly by the Government into your own verified accounts."

QUESTION 4: "What is my exact portfolio and share quantity?"

"Your registered holding is under Folio/DP ID **IN30154918973633** in **Astral Limited**. While your original transferred base holding was smaller, Astral subsequently declared three massive corporate bonus actions (**2019: 1:4, 2021: 1:3, 2023: 1:3 Bonus** alongside stock splits). This geometric equity compounding multiplied your total entitled share count, bringing the current portfolio valuation to **₹ 1.50 Cr — ₹ 2.20 Cr**, in addition to 7+ consecutive years of accrued cash dividends. The pinpoint single-digit share count and dividend amount is formally verified by Registrar **Bigshare Services (Mumbai)** via an official statutory **Entitlement Letter** once the claim is initiated."

QUESTION 5: "How did my small investment become so huge?"

"You benefited from geometric equity compounding. Over the past decade, Astral Limited executed multiple massive corporate actions: **• 2019 Bonus Issue (1:4) • 2021 Bonus Issue (1:3) • 2023 Bonus Issue (1:3)** alongside multiple stock splits. Your base shareholding multiplied in quantity while the stock price surged from **₹30** to nearly **₹1,900** per share, plus 7+ years of accrued cash dividends."

QUESTION 6: "Where can I independently verify the exact amount myself?"

"We mandate that you verify independently through 3 official public sources:

1. **Astral Investor Portal:** Visit astralpipes.com/investor-relations under Unclaimed Dividends / IEPF share transfers using Folio **IN30154918973633**.
2. **MCA Central IEPF Portal:** Search on iepf.gov.in under 'Track Unclaimed Shares' using your PAN / Folio.
3. **NSE Live Quote:** Check current price on nseindia.com (Symbol: ASTRAL) to verify total holding value."

PHASE 2: STATUTORY ROADMAP & DOCUMENTATION PROTOCOL (PART 3)**QUESTION 7: "What is the step-by-step statutory process to obtain the funds?"****The 5-Step Statutory Recovery Lifecycle:**

1. **KYC Harmonization:** Refreshing PAN, Aadhaar, bank details, and active Demat Client Master List (CML).
2. **RTA Entitlement Audit:** Extracting master entitlement letter from Bigshare Services confirming accrued bonus shares & dividends.
3. **Digital Form IEPF-5 Filing:** Electronic filing on the MCA portal and Service Request Number (SRN) generation.
4. **Nodal Officer Audit:** Courier dispatch of physical docket (Indemnity bond, stamped receipts) to Astral's Nodal Officer.
5. **Direct Credit:** IEPF Authority credits shares to your Demat and wires cash dividends to your bank via PFMS.

QUESTION 8: "Why should I hire you? What role do you play?"

"You don't have to visit any government office or Registrar counter.

Over 70% of self-filed IEPF claims face rejection or indefinite freeze due to technical documentation defects, signature variances, or missing RTA entitlement certificates.

We manage the legal drafting, coordinate with Bigshare Services and Astral's Nodal Officer, resolve audit objections, and guarantee seamless processing.

*Crucially: **We charge ₹0 upfront.** You only pay our agreed contingent fee AFTER the shares and cash are safely inside your accounts."*

QUESTION 9: "How do we execute the agreement living far away?"

"We execute via dual original postal execution or Aadhaar e-Sign:

1. **Postal Courier:** We courier two sets of the **Service Agreement** printed on non-judicial stamp paper. You sign both, retain one original, and courier back the second original.
2. **Aadhaar Digital eSign:** Legally enforceable under Section 10A of the IT Act, 2000 via secure mobile OTP. Both methods provide 100% legal enforceability."

QUESTION 10: "What is a CML and Cancelled Cheque? Why are they needed?"

- **Client Master List (CML / CMR):** The official certificate issued by your stockbroker (Zerodha, HDFC Sec, ICICI Direct) showing your 16-digit Demat Account number. IEPF requires it to ensure shares are credited electronically into your verified Demat account.
- **Cancelled Cheque:** A normal cheque leaf with 'CANCELLED' written across it and **NOT SIGNED**. Under IEPF rules, it **must have your pre-printed name** so the Ministry of Corporate Affairs can wire your accrued cash dividends directly via RBI NEFT/PFMS.
