1. STATUTORY NOTICE: YOUR ASSETS HAVE BEEN TRANSFERRED TO THE IEPF AUTHORITY

This official memorandum is to formally notify you that following a comprehensive forensic audit of Astral Limited's regulatory compliance filings under Section 124(6) of the Companies Act, 2013, your equity folio registered in the name of **Naniklal Bhatia / Shyam Bhatia (Folio: IN30048411367040)** at **Bhatia Bhawan, 20 Jairampur Colony, Main Road, Indore, Madhya Pradesh - 452004** was formally debited and transferred to the IEPF Authority Demat Account (Ministry of Corporate Affairs, New Delhi). Under the statutory 7-year clock, because dividend warrants declared in 2016 remained uncashed in statutory escrow, Astral Limited was legally mandated by the Central Government to execute a corporate action transferring your underlying equity holding (expanded via 1:4 and subsequent 1:3 bonus issues from a 15,915-share base to **35,368 equity shares valued at Rs. 5.04 Crores**) along with transferred cash dividends into Central Government IEPF custody starting on **19-Dec-2023**, with further tranches executed on **08-Sep-2024, 14-Dec-2024, 25-Sep-2025, and 15-Dec-2025**. The total exact recoverable claim stands at **Rs. 5,04,06,092.00 (~Rs. 5.04 Crores)**.

2. THE CRITICAL RISK: ADMINISTRATIVE FREEZING & BUREAUCRATIC LOCK-IN

As senior Chartered Accountants, you are well aware that while the Central Government acts as statutory custodian under Section 125(3), **the government will NEVER automatically release or credit your shares back into your Demat account without a formal, approved claim.** Without specialized professional intervention, your high-value assets face severe administrative freeze risks:

- **80%+ Government Rejection Rate:** According to MCA annual reports, over 80% of self-filed IEPF claims get stuck or rejected due to legacy signature variances spanning 7-10 years, joint holder succession complexities, or uncertified bank documents.
- **The 'Deficiency Memo' Trap:** When an individual claim is submitted with even a minor procedural flaw, the Registrar (Bigshare Services) issues an official 'Deficiency Memo'. The file is frozen, requiring protracted physical correspondence, revised affidavits, or hearings.
- **Indefinite Bureaucratic Impasse:** Unresolved claims remain locked in government custody for years. Astral Limited headquarters cannot release your assets directly across the counter—restitution can **ONLY** be unlocked via a validated **MCA e-Form IEPF-5 Verification Report**.

3. THE 100% STATUTORY RECLAIM GUARANTEE (COMPANIES ACT SEC 125(3))

The good news is that under **Section 125(3) of the Companies Act, 2013 and Rule 7 of the IEPF Rules**, the Central Government does not forfeit ownership. As the legitimate beneficial owners, **Naniklal Bhatia and CA Shyam Bhatia hold the absolute legal right to reclaim 100% of their 35,368 shares directly back into their active Demat account**, along with all accumulated cash dividends (Rs. 6,692.00) directly into their verified bank account. Our practice specializes exclusively in executing this government restitution.

WHY ENGAGING OUR ADVISORY PRACTICE GUARANTEES 100% FINANCIAL & LEGAL PROTECTION
THE FIDUCIARY ADVANTAGE • ZERO ADVANCE RISK • DIRECT DEMAT SETTLEMENT**1. ZERO ADVANCE FEE MANDATE (Rs. 0 UPFRONT RISK)**

We charge **Rs. 0 advance fee**. You do not pay a single rupee upfront for legal drafting, compliance filings, or government portal fees. Our contingent success fee (8% success fee) is payable strictly **AFTER** your 35,368 Astral shares are visibly credited in your Demat account and your cash dividends are in your bank. If we do not recover 100% of your assets, you owe us nothing.

2. DIRECT GOVERNMENT SETTLEMENT (WE NEVER TOUCH CLIENT FUNDS)

Under MCA and SEBI statutory regulations, neither our practice nor any third party ever touches your shares or money. The Central Government IEPF Authority executes an electronic Corporate Action credit **directly into your own active Demat account**, and credits the accumulated cash dividends (Rs. 6,692.00) directly into your linked bank account via PFMS/DBT.

3. OVERCOMING THE 80% REJECTION TRAP (ZERO DEFICIENCY MEMO)

Filing e-Form IEPF-5 involves complex procedural requirements: SEBI Form ISR-1/2 bank manager attestation, non-judicial stamp paper Indemnity Bonds, and original cancelled cheque certifications. A single clerical variance between your historical signature and current records causes an immediate RTA rejection. Our compliance desk prepares error-free, pre-vetted dossiers ensuring instant verification.

4. MASKED KYC & COMPLETE PRIVACY GUARANTEE

We adhere to strict fiduciary privacy protocols under Indian Law. You provide only **Masked Aadhaar** (with the first 8 digits hidden) and a cheque crossed '**FOR ASTRAL IEPF KYC ONLY**'. We never ask for net banking credentials, Demat passwords, or OTPs. All engagements are secured by a legally binding Rs. 100 non-judicial stamp paper agreement protecting your family.

5. DEDICATED INSTITUTIONAL LIAISON WITH BIGSHARE SERVICES (MUMBAI)

Navigating communication with Registrar Bigshare Services in Mumbai is notoriously difficult for busy professionals. Our advisory practice coordinates directly with the Nodal Officer of Astral Limited at Bigshare, tracking your verification report until the final Sanction Order is issued by MCA New Delhi.

RESTITUTION ROADMAP • HOW WE INITIATE YOUR RECLAIM TODAY
