"Good day, Lalita Nahata & Ajay Nahata Sir/Ma'am. My name is MD ASRAR BASHA A, Principal Advisor for Statutory Equity Claims. I am calling to formally alert your office regarding 2,112 certified equity shares in Astral Limited (valuation: ₹ 3,009,600) currently held in statutory escrow under Folio 1201090003437744."

PHASE 2: RESOLVING SKEPTICISM (HOW DID YOU GET MY DETAILS?)

"Sir, under Section 124(6) of the Companies Act, listed companies must publish gazetted disclosures of unclaimed dividend folios. Our forensic compliance desk audits these official MCA reports and Bigshare records. We never possess bank passwords or confidential credentials; all shares are re-credited directly into your own verified Demat account."

PHASE 3: EXPLAINING THE MULTIPLIER (HOW DID IT BECOME SO LARGE?)

"Astral Limited issued three substantial corporate bonus issues: 1:4 in 2019, 1:3 in 2021, and 1:3 in 2023. Your original holding expanded significantly to 2,112 shares, alongside accumulated dividends of ₹ 1,094.15."

PHASE 4: ZERO FINANCIAL RISK (CONTINGENT SUCCESS MODEL)

"We operate strictly on a ₹0 advance / 100% contingent performance model (8% fee). You do not pay a single rupee upfront. The Central Government credits the entire portfolio directly to your personal Demat and bank account before advisory settlement."

PHASE 5: NEXT ACTION & DIGITAL DOSSIER DISPATCH

"I have already prepared your comprehensive Executive Recovery Dossier and statutory schedule. I am dispatching both documents to your verified contact right now. Please review the numbers and let us initiate the MCA IEPF-5 filing today."
